

2020 EFMABC BURSARIES

The Educational Facility Managers Association of British Columbia is pleased to offer **five \$1,000.00 bursaries** to graduates of the 2019/2020 school year. Our association is comprised of administrative and management personnel of school districts who are responsible for construction, maintenance and custodial services, etc.

These bursaries are offered to secondary students completing their grade 12 year who will enter a recognized post secondary educational institution in the 2019/2020 term. Bursaries will be awarded on the basis of academic achievement and/or special needs.

Preference will be given to students entering the fields of engineering, architecture, or building technology. Should there not be suitable applications received in these fields, students in other courses of study will be considered, however, ***all applicants MUST be dependents of school district employees in the school facilities area (i.e. Maintenance or Custodial).***
