

Residents Opposed to SD73 Proposed Catchment Changes

Recipient: Dr. Terry Sullivan, Rhonda Kershaw, Trish Smillie, Honourable Jennifer Whiteside, Honourable Todd Stone, Kamloops Mayor and Council

Letter: Greetings,

We oppose the proposed catchment changes for Juniper and Marion Schilling Elementary Schools and demand solutions that are equitable, put all of our children first and do not fracture communities. We support making Ralph Bell a Grade 6-7 for both Juniper and Marion Schilling catchments. This is feasible, it is equitable and it addresses many of our concerns.
