Thank You!

We appreciate your interest in the School District No.73's Homestay Program and thank you for your application! We will be in contact with you to confirm preliminary acceptance and set up a home visit within two weeks of receipt of your application. Please note that students are placed respective of the catchment school they will attend, which means not all homestays are always active. We will contact homestays as needed.

We do keep all Homestay Applications on file for one year.
