

HEAVY METAL ROCKS

March 2019

School District No. 73 (Kamloops-Thompson), in partnership with WorkSafe BC, Southern Interior Construction Association, Acres Enterprises Ltd., Ministry of Energy and Mines, Stobbe Excavating Ltd., Universal Freight and Transportation Inc., New Gold, Extreme Excavating, Kozy Klean Car, RV, Bus & Truck Wash, and the Tk'emlúps te Secwépemc Indian Band, are proud to offer our 11th annual **Heavy Metal Rocks** program.

The **Heavy Metal Rocks** program will provide opportunities for students to explore the wide variety of rewarding career choices as heavy equipment operators in the forestry and construction industry. Students will learn the importance of safety training and will receive mentoring from equipment operators as they learn to operate several different types of heavy equipment.

This project is intended for students who have an interest in the construction and forestry industry and/or the operation of heavy equipment.

Who is it for?

School District No. 73 (Kamloops-Thompson) students currently in grades 11 and 12:

- With good attendance and attitude
- Who are physically active
- With an interest in the construction and forestry industry

Program Details:

In addition to operating heavy equipment, students will receive training in the following areas:

- WorkSafe – New Worker / Young Worker
- Orientation training on various pieces of heavy equipment
- Construction Safety - Certificate
- Occupational First Aid – Level 1- Certificate
- WHMIS Training – Basic – Certificate
- Leavitt Machinery – Aerial Platform and Forklift Certificate (optional)

Cost:

\$175.00 per student (*Fees are non-refundable upon acceptance into the Program*)

Cheques must be payable to School District No. 73.
